What Is Flags of Fellowship?

Flags of Fellowship is a nationwide movement started by the International Fellowship of Christians and Jews that equips faith communities and organizations with Israeli flags and other resources to publicly express their support for Israel and the Jewish people.

Whether displayed at houses of worship, campuses, or community gatherings, each flag sends a powerful message to Israel: you are not standing alone.

Why Join?

- Take a bold, visible stand for Israel
- Foster solidarity between Christians and Jews
- Stand against the rising tide of anti-Semitism and anti-Israel hatred
- Thousands of churches, synagogues, and universities are already involved
- Participation is free

Today, churches, synagogues, and universities across the country are joining Flags of Fellowship to visibly demonstrate solidarity with Israel and the Jewish people.

When you participate, your congregation or organization will receive complimentary Israeli flags to proudly display as a symbol of friendship, unity, and support for Israel on the anniversary of the devastating attacks of October 7, 2023.

Participation is free. At this critical time, we pray that you will join thousands of others publicly showing their support for Israel and her people.

Register your congregation or organization for Flags of Fellowship by scanning the QR code or at ifcj.org/fofregister.
