that will bless Israelis in need!

**Yael Eckstein**  
PRESIDENT & CEO

*My friends,*

2023 was an unprecedented and tragic year for Israel. The brutal terror attacks of October 7 and the war that followed caused so much suffering to so many Israelis.

Thankfully, when the crisis hit, The Fellowship was there on the ground to provide critical aid – protection for ordinary citizens and first responders, food and other essential needs for evacuees from the war zone, comfort for those who lost loved ones, and so much more.

During times of uncertainty and fear, God raises up leaders and imbues them with wisdom so that His people will survive. Thanks to faithful servants like you, last year alone we supported 1 million people living in poverty. We helped fulfill biblical prophecy by bringing 4,000 Jews home to Israel from the four corners of the earth. And we provided critical security needs to 1 million people in Israel and throughout the world.

You are a faithful friend of Israel, and I know you will continue to bless God's people by continuing to pray, speak, and give on their behalf. May God bless you as you have blessed His children.

With blessings from the Holy Land,

*Yael Eckstein*

**One of The Fellowship's most important traditions is going to the Western Wall in Jerusalem, the holiest site in Judaism, to lift your prayer requests before God. We love praying for you, our treasured Fellowship friends, and feel privileged to remember you before our sovereign God at this sacred site.**
