

# Blessing Israel<sup>®</sup>

*"I will bless those who bless [Israel]"* GENESIS 12:3

Dear Pastor,

We created a photo/film notice for you to display at your Blessing Israel<sup>®</sup> events. This notice grants The Fellowship permission from you and your attendees to utilize photos/videos taken of them in the promotion of Blessing Israel<sup>®</sup> events or for general use by The Fellowship.

We wanted to stress the importance of posting these notices at your Blessing Israel<sup>®</sup> event, and to give you some specific instructions on how to use them.

**If you plan to send us any photos or videos of your event:**

- The photo/film notices need to be displayed in your church and should be clearly visible to congregants as they enter the sanctuary/event space
- Examples of proper display include:
  - Posting at foyer door where it is visible to people entering the sanctuary
  - Displaying on a digital video board visible to attendees
  - Printing the notice in a bulletin or program distributed to all attendees at the event
- Pictures of the notice(s) and how they are displayed should be sent to The Fellowship
- The owner of the photos or videos must sign a licensing release to grant The Fellowship permission to use the content. We will furnish the necessary release form(s)

Please note that if we receive photos or videos without proof that the photo/film notice is properly displayed, we will need to receive a talent release from each person in attendance at the event before we can use any of the photos or video. Therefore, ensuring that the photo/film notice is displayed is of utmost importance.

Thank you for your cooperation! We look forward to promoting your support for Israel among other churches. We're grateful that you and your church have chosen to bless Israel, and we look forward to seeing photos and video from your event.
