BLESSING ISRAEL

Dear Pastor,

Thank you for partnering with the International Fellowship of Christians and Jews to hold a **Blessing Israel** event at your church. In appreciation for your support, The Fellowship is offering you and your church free access to our online Fellowship Scholars Continuing Education Courses.

The **Blessing Israel** event will introduce the biblical love for Israel to your church, but the Fellowship Scholars courses will continue to enrich your congregation throughout the year by helping them discover the Jewish roots of Christianity.

**We have many courses for you and your congregation to enjoy and explore.**

You can learn more about the seminal event of the Jewish people in “The Exodus Story.” Or learn about the many lessons for Christians that can be found in the ancient and rich observances of the Jewish holy days, such as *Rosh Hashanah* and *Yom Kippur*, Passover and *Hanukkah*.

Each course helps to deepen your understanding of God’s special connection and covenant with the land of Israel and her people and how that is relevant to Christians today. The learning is endless.

It’s easy to get started in promoting these courses to your church today. You can use these courses as small group curriculum, for adult Sunday School, or you can invite congregants to take them as individuals.

It’s totally up to you as the pastor on how you would like to utilize the courses in your church — and we’re here to help! You’ll find on our website ([www.ifcj.org/act/blessing-israel](http://www.ifcj.org/act/blessing-israel)) a PowerPoint slide and postcard to promote the courses to your church. Simply download them and print.

**Below is a step-by-step guide for enrolling in our Fellowship Scholar Continuing Education Courses:**

1. Promote the Course in your church using the PowerPoint slide and postcard
2. Go to [www.fellowshipscholars.org](http://www.fellowshipscholars.org)
3. Click the “Sign Up Today” Button
4. Fill out the form and use the code **IFCJCHURCH**
5. Check your email for a link to create an account
6. Create your account

Once, you’ve created an account, you will have unlimited access to the library of our Fellowship Scholars courses. You can come back as often as you want and take as many courses as you like. It’s that easy!

Thank you again for participating in our **Blessing Israel** program. We hope you will enjoy the courses we’ve prepared for you! Let us know if you have any questions by contacting us at [outreach@ifcj.org](mailto:outreach@ifcj.org).
